In addition, the Ohio Campers is also distributed at dozens of other travel shows throughout the region.

OCA Conferences: Educational opportunities are offered at OCA's spring and fall meetings. Each spring OCA holds an educational conference offering classes on various topics and a trade show featuring industry exhibitors. Each fall, OCA hosts a POOT Tour (Park Operators on Tour) which is a regional tour of local campgrounds. The tour allows members to gather ideas, network and ask questions of fellow owners. **** All new members are invited to attend our Fall POOT Tour FREE of charge. Limit 2 attendees per new member campground.****

Legislative and Regulatory representation: OCA employs the lobbying firm *Government Advantage Group* to protect and promote the interests of private campgrounds in the State of Ohio.

Workers' Compensation Discount: We offer a group-rating program that provides members greatly reduced workers' compensation premiums through industry class grouping, effective cost-containment procedures, enhanced safety in the workplace and thorough medical management of any claims.
